GENERAL INFORMATION ON A PRIVATE PILOT LICENCE

Leading Edge Flight School is situated in Hoedspruit. The school is situated at Hoedspruit Civil. The school is registered with the South African Civil Aviation Authority (SACAA 0141) and the Microlight Association of South Africa. The minimum age required is 15 years.

If you wish to acquire a private pilot licence the costs are as follows.

1. Instruction hours:

A minimum of 45 hours must be flown. At least 25 hours dual and at least 15 hours solo.

2. Flight briefings:

Briefings will be done before and after every flight. Long briefings will be charged out as lectures.

3. MISASA, Aero Club of South Africa and Hoedspruit Flying Club membership:

Membership to the Microlight Association of South Africa, the Aero Club of South Africa and the Hoedspruit Flying Club is required.

4. Lectures:

Normally about 10 - 15 hours of theory lectures.

5. Licences:

You will have to obtain a student pilot licence, which you have to get before going solo as well as your final pilot license. Application and courier costs will be an extra cost.

6. Radio licence:

You have to do a radio licence, which we do at the school

7. Medical certificate:

A flying medical certificate has to be obtained before going solo. This can also be arranged for you in Hazyview.

8. Literature:

The ground school notes are obtainable through the school.

9. Skills test:

At the end of your instruction a practical flight test has to be done.

10. Insurance

Our aircraft are all fully insured and you will be required to carry pilot excess insurance to the value of R15 000.00 before going solo. This costs approximately R177.50 per month and is not aircraft specific so you will be able to use it after you have completed your licence with us.

11. Headsets:

All students are required to have their own headsets. The school does have headsets available for sale including a headset bag.

12. Theory examinations

Examinations are written online and there are 8 subjects. The eight subjects are:

- a. Meteorology
- b. Aviation law
- c. Principles of flight
- d. Aircraft technical and general
- e. Human performance
- f. Navigation
- g. Performance and Planning
- h. Radio.

13. Pilot kit

A pilot bag will be given to all pilots with all necessary books and equipment for the course.

There is no VAT applicable.

Terms:

Due to practical consideration such as; weather, aircraft availability and serviceability, instructor availability and the progress of individual students, completion of any particular course may require more time and funding than specified in this quotation. The company reserves the right to terminate or suspend the flight training of any student at any time and will in such case, refund the student all funds in credit in that students account. Flight training shall not be conducted whilst in the possession of any weapons.

Please be advised this is only an estimated cost based on the MINIMUM requirements and that the total cost shall be based on student performance.

Please contact us should you require any further information.

Yours sincerely

ROWENA KRAIDY
